

BIOLOGY, MICROBIOLOGY & LABORATORY TECHNOLOGY

BROWSE THE **SHELVES** at these call numbers for **BOOKS, DVDs & JOURNALS**

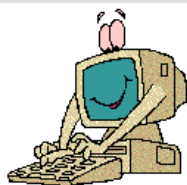

If an item is out on loan, please ask the Library staff to Reserve it for you.

Ask about CAVAL. This enables you to borrow from other libraries.

363.11	Occupational Health & Safety
363.192	Food Poisoning & Food Safety (see also 664.06)
502.82	Microscopy (see also 570.282)
570 – 579	Biology
571.5	Tissue Biology (see also 611.018)
571.6	Cytology / Cell Biology (see also 591.0724)
576.5	Genetics
579	Microbiology, Micro-organisms, Fungi, Algae
579.17	Microbial Ecology (i.e. Environmental Microbiology)
579.2	Viruses & Virology
579.3	Bacteria & Bacteriology
610 – 619	Medicine
611.018	Histology (Tissue Biology) & Cytology (Cell Biology)
616.15	Haematology (Blood)
616.079	Immunology
616.9041	Medical Microbiology
616.9101	Medical Virology
616.9201	Medical Bacteriology
628.161	Water Analysis
664.001579	Food Microbiology

SEARCH THE **LIBRARY CATALOGUE** BY SUBJECT OR KEYWORD

www.gordontafe.edu.au/library

These Subjects / Keywords will help you locate information easily.

Please ask for assistance at the Information desk.

BACTERIOLOGY
BIOLOGY
BLOOD DISEASES
CELL CULTURE
CYTOLOGY
FOOD MICROBIOLOGY
FOOD POISONING
FUNGI
HEMATOLOGY
HISTOLOGY

IMMUNOLOGY
MEDICAL MICROBIOLOGY
MICROBIAL ECOLOGY
MICROBIOLOGY
MICRO-ORGANISMS
MICROSCOPY
TISSUE CULTURE
VIROLOGY
VIRUSES
WATER ANALYSIS

REFERENCE COLLECTION

REF 570.3 D554
REF 570.70994 N277n
REF 579.3012 B496
Australian Standards eg.

Dictionary of Biology
NATA Accreditation Requirements: Biology Testing
Bergey's Manual of Systematic Bacteriology
AS/ISO 9004: 2004 Quality management systems
AS 2243 : Safety in Laboratories

JOURNAL TITLES

Australasian Biotechnology	* <i>Articles on ANZ Ref Cent*</i>
Australian Life Scientist	JNL 610 T626
New Scientist (Australasian ed)	JNL 505 N961
Scientific American	JNL 505 S416
Waste Disposal and Water Management in Australia	JNL 363.728 W359
Water (Melbourne, Vic)	JNL 363.61 W324

ONLINE RESOURCES - DATABASES

Search the Databases from the Gordon Library website at www.gordontafe.edu.au/library (listed under **ONLINE RESOURCES**)

Useful databases are **APAFT & Australia/NZ Reference Centre** (ANZ has full text articles from *Scientific America & New Scientist* etc.) Also search **Health & Wellness Resource Centre** You can locate recent journal articles by searching by Keywords eg. microbiology, E coli, Medical laboratory observor, etc.

Explore the links to **websites** on the Library home page at www.gordontafe.edu.au/library

Click on **Subjects A-Z** and then these headings : **Biology** **OHS**
Food **Science**

The **SMART Imagebase** database has many medical images which can be used in assignments.
